It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof, a third party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Contract.

B. PAYMENT FOR CLAIMS. Contractor guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Contractor or any subcontractor, in connection with the services provided under this Agreement, and Contractor shall be solely responsible for payment of all such claims. Termination by the City without cause or for convenience shall not constitute a default hereunder and shall not subject the City to any penalty or claim for damages. The City also has the right to terminate this Agreement for cause, including but not limited to, the Contractor's default or failure to perform hereunder, or the Contractor's voluntary or involuntary bankruptcy or in the event an assignment is made for the benefit of creditors. This Agreement may be terminated by the Contractor only by mutual consent of both parties.

B. If the City determines, in its sole discretion, that the performance of the Contractor is not satisfactory, the City shall have the option of (a) immediately terminating the Agreement, or (b) notifying the Contractor of the deficiency with a requirement that the deficiency be corrected within a specified time, otherwise the Agreement will be terminated at the end of such time, or (c) take whatever action is deemed appropriate by the City.

E. The City may issue a verbal or written Stop Work order to the Contractor at any time, and the Contractor shall immediately cease all performance under this Agreement until otherwise instructed. The Contractor shall have no claim for delay or other damages associated with the Stop Work order and shall be compensated only for services performed to the satisfaction of the City.

F. The City may elect, in its sole and absolute discretion, to enforce this Agreement and exercise all remedies available under applicable law. Neither a delay in exercising a remedy, nor the exercise of remedies in any order, shall be deemed an election of a single remedy or a waiver of any remedy or right by the City.

13. **AUDITS, RECORDS, AND RECORDS RETENTION.**

For the services performed under this Agreement, the Contractor shall maintain books, records, documents, and other evidence according to generally accepted governmental accounting principles, procedures, and practices which sufficiently and properly reflect all costs and expenditures of any nature incurred by the Contractor in connection with the services performed under this Agreement.
